

Curriculum Vitae

Harris L. Friedman, PhD

EDUCATION: Ph.D. (1981), Georgia State University, Atlanta, GA in Clinical Psychology (APA-Accredited Program). Major area concentration in Personality (Transpersonal) Psychology with Cognate in Sociology (including one-year teaching undergraduate sociology classes). Graduate research assistantship (1971-72), and graduate teaching assistantship (1972-74), including independent teaching of undergraduate psychology classes. Dissertation (supported by Florida SouthWestern College Staff Development Grant): The Self-Expansiveness Level Form: A conceptualization and measurement of a transpersonal construct.

Summer Research Fellow (1978), Duke University, Durham, NC. Gerontology Research: End of Life Studies (supported by U.S. Community Service Trust Fund grant).

Summer Research Fellow (1974), University of California, Berkeley. Human Consciousness Institute (supported by Esalen Institute grant).

M.A. (1971), Emory University, Atlanta, GA in Sociology. National Defense Education Act Fellow (1969-1971). Thesis (supported by W. T. Grant Foundation grant): A test of the validity of the Slater-Sussman Measure of Marital Integration. All coursework for doctorate in sociology completed.

B.A. (1969), Emory University, Atlanta, GA in Psychology. Early Admissions Scholar as National Merit Finalist. Completed Honors Undergraduate Program. Student athlete (wrestling and cross-country). Additional concentrations in English (creative writing) and Religion/Philosophy.

LICENSE: Florida Psychologist (#3029) since 1982

TEACHING AND ACADEMIC-RESEARCH EXPERIENCE:

Main Current Roles

Core Faculty (2001-present), Sofia University, Palo Alto, CA. Half-time core faculty appointment since 2025 in online PhD program in transpersonal psychology, including teaching doctoral courses and supervising doctoral dissertations. Previously held many roles, such as dissertation supervisor, adjunct instructor, and Fellow of the William James Center for Consciousness Studies.

Professor (2001-present), Counseling Psychology Program, University of Florida, Gainesville, FL. Taught doctoral research method courses and conducted grant-funded research through university's Center for Spirituality and Health. Research Professor (2001-2014). Retired as Professor Emeritus in 2014, but continue part-time affiliation as Courtesy Professor. Also, served as Visiting Assistant Professor (1983-1984).

Other Current Roles

Research Faculty (2024-present), California Institute for Human Science, Encinitas, CA.
Honorary Research Fellow (2021-present), Alef Trust, Liverpool, UK. Serve as one of three Alef Trust trustees and helped develop the Alef Trust and Liverpool John Moores University collaborative PhD programme in Applied Transpersonal Psychology. Supervising several doctoral dissertations, part-time; previously also taught graduate classes.

Visiting Professor (2020-present), Duy Tan University, Danang, Viet Nam. Mentoring psychology

faculty in publishing within top-ranked English-language research journals, part-time.
Affiliate, Center for Mind, Brain, and Culture (2019-present), Emory University, Atlanta, Georgia.
Honorary appointment with only advisory duties.
Associated Professor, Salomons Institute for Applied Psychology (2017-present). Canterbury
Christ Church University, Canterbury, UK. Supervising PhD dissertations, part-time.
Associated Distinguished Professor, Integral and Transpersonal Psychology (2016-present),
California Institute of Integral Studies, San Francisco, CA. Teaching occasional doctoral
classes and currently supervising PhD dissertations, part-time. Serve on Council of
Advisors to the Center for Psychedelic Therapies and Research since 2017.

Previous Roles

Professor (2023 – 2024). John F. Kennedy School of Psychology and Social Sciences,
National University. Consulted with creating a transpersonal psychology doctoral
program, part-time.
Visiting Instructor (2021-2023), Naropa University, Boulder, CO. Teaching graduate research
methods classes remotely, part-time.
Visiting Scholar, History of Science (2019-2022), Harvard University, Cambridge, MA.
Three-year appointment conducting research on science denial.
Visiting Professor (summers, 2014 & 2015), Renmin University, Beijing, PR China. Taught
doctoral classes in psychology of religion and transpersonal psychology.
Core Faculty (2013-2018), Goddard College, Plainfield, VT. Forty-percent appointment. Taught
courses in distance-learning master's program in psychology and mental health
counseling.
Instructor of Psychology/Sociology (2008-2009), South Florida State College, Avon
Park, FL. Taught psychology and sociology courses, one-year full-time appointment.
Core Faculty, Clinical Psychology Program (2007-2017), Walden University, Minneapolis, MN
Taught doctoral courses in clinical psychology, as well as supervised dissertations.
Professor (2000-2012). Clinical Psychology and Organizational Systems Programs,
Saybrook University, San Francisco, CA. Taught doctoral assessment and measurement,
psychotherapy, and research methods courses, as well as supervised dissertations.
Retired as Professor Emeritus.
Visiting Professor (2006-2007), Psychology, University of Mysore, Mysore, India. Taught
and conducted research on relationship between Indic spiritual traditions and
contemporary psychology.
Visiting Professor (2002-2003), Organizational Change, Hawaii Pacific University, Honolulu, HI.
Taught organizational behavior courses. Involved with program as consultant since its
start in 1987, most recently consulting with its re-accreditation efforts in 2015.
Founding Faculty (1997-98), Psychology, Florida Gulf Coast University, Fort Myers, FL. Taught
undergraduate psychology courses, including honors directed-independent studies (note:
honorary title given as visiting faculty member for helping to establish this university).
Instructor of Psychology and Sociology (1975-1986), Florida SouthWestern College (formerly
Edison State College), Fort Myers, FL. Taught psychology and sociology, as well as a
wide range of human services, courses. Helped co-found the school's honor's program,
and taught interdisciplinary honor's courses. Provided statewide outreach training
programs in gerontology, and coordinated numerous grant-funded human service
projects. Received the "outstanding teacher award" in 1977.
Various part-time faculty roles (1971-present). These include teaching graduate and
undergraduate courses in psychology, sociology, and business/organizational studies,
supervising practica and student research, as well as dissertation service, at the
following schools: Antioch University, Argosy University, Bharathiar University, Chinese
University of Hong Kong, Fielding University, Florida Institute of Technology, Georgia
State University, Middlesex University, Northcentral University, Nova Southeastern
University, Pacifica University, Southern Cross University, Trent University, Union
Graduate School, University of Arizona, and University of South Florida.

ADMINISTRATIVE EXPERIENCE:

Executive/Administrative Roles, Fort Myers, FL (1980-present). As a "psychopreneur," created

and managed multiple for-profit and non-profit organizations, especially for providing large systems of care to underserved populations. Also involved in the computer (e.g., creating website design software), environmental (e.g., managing wilderness areas), healthcare (e.g., pain management and physical rehabilitation), hospitality (e.g., designing service quality systems), and human service (e.g., contracting case management) fields, as well as provided limited direct professional psychology services through these various entities. Received funding for and managed over 100 grants for applied research and service projects, many in the 6+ figure range. Usually operate through one of two corporate entities (Human Systems, for-profit, and Floraglates Foundation, non-profit).

Educational Consultant (2010-present). Consulted in developing master's-level global distance-learning programmes at several UK universities (namely Chester, Liverpool John Moores, and Middlesex) in diverse areas, such as culture and leadership, human-animal interaction, and transpersonal psychology in partnership with various nonprofits (such as Alef Trust and Professional Development Foundation).

Dean of Doctorate Research through the Salomons Institute for Applied Psychology at Canterbury Christ Church University, Canterbury, UK (2019-2020). Part-time appointment overseeing doctorate research for a remote global-degree programme in Professional Practice: Psychological Perspectives offered through a partnership between Professional Development Foundation (a UK non-profit) and Canterbury Christ Church University.

Chair, Clinical Psychology Program, Walden University, Minneapolis, MN (2007-2008). Directed all areas of a distance education doctoral program in clinical psychology, including supervising over 100 faculty members.

Academic Dean and Vice President for Academic Affairs (2000-2001), Saybrook University, San Francisco, CA. Supervised all academic areas of school.

Coordinator, Human Services Program (1976-1983), Florida Southwestern (formerly Edison State) College, Fort Myers, FL. Supervised all academic areas of program, as well as taught as faculty member. Received funding for and managed over 20 educational and training grants.

Program Administrator (1973-1975). Georgia Retardation Center, Atlanta, GA. Supervised all activities in a residential cottage housing mildly developmentally disabled residents being prepared for community living, as well as worked as Behavioral Specialist in designing and implementing treatment plans.

PROFESSIONAL EXPERIENCE:

Executive Director (1997-present), Floraglates Foundation, Fort Myers, FL. Founded and preside over a non-profit company that runs various applied and research projects, as well as manages several environmentally sensitive wilderness preserves in the Everglades area of south Florida.

Consultant (1975-present), Human Systems, Fort Myers, FL and globally. Worked as independent consultant until founded Human Systems in 1979, a for-profit corporation over which have presided since. Recently consulted through Florida Department of Corrections in the privatization of prison mental health services, as well as with the U.S. Department of Defense in designing virtual assessment and training programs for cross-cultural competence. Previously focused on international change management efforts, consulting with over 30 large organizations across more than a dozen nations. Organized and evaluated many school psychological and behavior programs, coordinated various social science research projects (including labor-market studies, needs assessments, and organizational assessments), and provided extensive forensic (e.g., jury selection and witness preparation), medical (e.g., setting up psychology services in pain and rehabilitation clinics), and organizational (e.g., executive coaching and team building) consultation, as well as worked as professional grant writer on a consultation basis.

Clinical Psychologist (1982-2000), Private Practice. Fort Myers, FL. Part-time psychological practice while managing and owning a large private practice (at its peak, it had 5 offices in 4 SW Florida cities and simultaneously employed 8 licensed psychologists and over 50

bachelor's and master's level staff, as well as 3 consulting psychiatrists). Supervised 13 post-doctoral residents who have subsequently become licensed psychologists in Florida, as well as over 20 master's level clinicians who have become Florida licensed mental health professionals. Involved with psychological programs in private mental hospitals, community mental health centers, private prisons, a rehabilitation unit and a neonatology unit in a public hospital, pain centers, an Indian tribe, a mental retardation facility, a preschool intervention program, an inpatient alcohol and substance abuse facility, a work-hardening program, as well as for a variety of governmental human services agencies. Continue intermittently as a forensic consultant and currently serving as clinical director of a neurofeedback program for youth diagnosed with attention deficit disorder.

Clinical and Counseling Psychology Post-Doctoral Internship (1983-1984), Psychological and Vocational Counseling Center, University of Florida, Gainesville, FL. Completed APA-accredited Counseling Psychology Internship (post-doctorally while a Visiting Assistant Professor).

Clinical Psychology Pre-Doctoral Internship (1974-1975). Consortium "captive internship" of Emory University Department of Psychiatry (Grady Memorial Hospital) and Georgia State University Psychological Services Clinic.

Program Specialist (1970-1973), Georgia Retardation Center, Atlanta, GA. Administered psychological tests, devised and supervised behavioral treatment plans, and provided behavioral counseling, as well as staff training in behavioral treatment.
